Goals for Project (why are you doing this?):

Current Phase of Development/Production

Brainstorming

Have recorded raw media

Have edited but not released episode

Have released episode

Other

Comments:

Priority Points for Assistance

(what are you wanting to get from DSA)

Project Info

Proposed Topic:

Length:

Audience (Size, Training, Geography, etc):

Production Schedule:

Format (how many people, scripted/conversational, etc):

Duration:

Assessment of Current Environment

Is there someone already doing this? How are they doing it? How will yours be different?

If no one is currently doing this, what are you modelling your project on?

Funding Resources:

How would you define success for this project?
